

# Find The Joker Game Rules

---

**Find the Joker tickets are £1 per ticket. In the weeks it runs, the draw will take place on Fridays at 9 pm. 3 numbers will be drawn each draw for a chance to win. The person who buys the ticket doesn't have to be at the club on draw night as someone will be asked to choose a card on their behalf. If a Jack is selected the person will win £30. If the Joker is selected, they will win the Jackpot Prize to the value of that week. If a Jack or Joker are not chosen, the 3 winners will receive one Free Ticket to the next draw.**

**If the Joker is drawn first that ends the game but two more numbers will be drawn and they will receive a Free Ticket to the next draw.**

**Due to gambling regulations, this draw is only open to Kingsthorpe Bowling Club Playing or Social Club Members. You must be at least 18 years old to participate.**

## Setting Up the Draw

**Two social team members will set up the cards in the locked cabinet. A member of the management committee or a club member must be present to act as an independent witness. Another person from the social team will not be allowed to be a witness. The two members setting up the cards in the secure locked cabinet will not be allowed to buy tickets for the draw.**

## The Jackpot

**The Jackpot grows monthly until it is claimed or hits its cap of £1,000. Once it reaches £1,000, we will draw monthly numbers until the Joker is chosen.**

## Purchasing Tickets

**The social committee and additional helpers will sell tickets at various times during the week. Contact any member of the committee for more information.**
